## RELEVANT EXPERIENCES

*TPA Group, LLC* – Commercial Real Estate Analyst Intern | Atlanta, GA | June 2024 – July 2024

- Operated CoStar, a commercial software, to perform research and create reports on market trends to identify competitive sets, sales comps, and lease comps for industrial and multifamily developments in different states: Georgia, Florida, Tennessee, Texas, and Nevada.
- Conducted thorough analysis of existing loan and joint venture agreements, extracting key terms, and summarizing information to aid in the creation of a capitalization tracker for existing debt and equity relationships.
- Designed interactive maps using Google Earth showcasing the locations of 10+ competitive properties and lease comps to help internal partners easily understand the current market trends to make successful development investments.
- Constructed a comprehensive report from analyzing data of different submarkets in 5 major cities, based on broker communications and research on recent transactions to provide actionable insights.

*Sikal, Adhipathi & Rowles, LLC* – Immigration Administrative Assistant Intern | Alpharetta, GA | May 2023 – August 2023

- Oversaw the daily operations of an Immigration LLC, fulfilling multiple roles essential to the effective functioning of an immigration law firm with 50+ client stories currently in works to become legal in the United States.
- Organized large scale immigration packets to assist the lawyers with their clients by printing documents, forms, identity documents, resumes, transcripts/education documents shipped to the United States Citizenship and Immigration Services (USCIS).
- Developed expertise in the different types of visas, US immigration laws, case management systems, document verification tools, and biometric identification technologies.

*Cisco High Externship* – Cisco | Webex | June 2020 – August 2020

- Networked with high school students across cities in Canada and the United States, leveraging my new network to discuss the various roles at Cisco and how I can be a part of it
- Immersed in the daily operations of a Fortune 500 company amidst the COVID-19 pandemic by facilitating global adjustments, learning about different career positions from industry experts, Capstone presentations, completing online Cisco courses, and understanding Cisco's role in shaping the future in technology.
- Mentored by professionals about Cisco's unified communications, cloud computing, automation, cyber security solutions, and the future of Cisco's cutting-edge technology.

## CAMPUS INVOLVEMENT

*Delta Sigma Iota Inc. – Delta Chapter* | January 2023 – Present

- Established enduring bonds with the brothers of Delta Sigma Iota, a South Asian Indian fraternity, by supporting our professional and personal growth, and promoting our pillars: education, service, and unity within the community by presenting at educational workshops, executing service projects, and volunteering at Rutgers University events.
- Organized 2 semesters of recruitment by acquiring diverse, prospective members through networking efforts, informational sessions, and organized rush events with other South Asian fraternities and sororities.
- Served as the fundraising chair where I raised \$6,500, a 7% increase from the previous semester to support chapter operations, member dues, insurance, shirts, etc.

## COMMUNITY SERVICE

*Ronald McDonald House Charities (RMHC)* – Emory | Atlanta, Georgia | August 2018 - Present

- Prepared meals for families of patients receiving treatment at Emory Hospital.
- Fundraised \$20,000 by organizing virtual walks and leveraging corporate partnerships to assist families during COVID-19 to alleviate financial burdens and fostering community support during hard times.
- Founded the RMHC club at my high school and still actively serve as an advisor for their fundraising and cooking efforts.
